ATTORNEY OPPORTUNITIES

Elder Law – Experienced/Lateral Attorney

If you have extensive experience representing seniors in estate planning, asset protection strategies and Mass Health applications and Fair Hearings and would like to become part of a team as a valued member with other experienced trust and estate attorneys, this opportunity is for you. You will be joining a team of experienced trust and estate lawyers with practices in special needs planning, estate tax planning, elder law and asset protection. This opportunity should be attractive to elder law attorneys who see the value of joining a collaborative and resourceful team within a regional law firm to better serve the needs of their existing clients.

Elder Law – Associate Attorney

As a recently admitted attorney who wants to represent seniors, this opportunity will provide you experience in all aspects of elder law. For qualified candidates, Fletcher Tilton offers a robust compensation package, training and a collaborative work environment. If you have a strong work ethic, a dedication to superior client service and a desire to grow professionally in the elder law and trust and estate area, the Trust and Estate Department of Fletcher Tilton is the right place for you.

Estate Administration – Associate Attorney

The Trust and Estate Department has an opportunity for a recently admitted attorney to handle all aspects of settling estates. You will be working with an experienced team of attorneys and estate administration paralegals in working with family members who have lost a loved one. If you want to represent individuals and families through the estate administration process in a respectful fashion and have a strong work ethic to do so, you are encouraged to explore this opportunity.
